

How to set up the card information on the Mindbody system

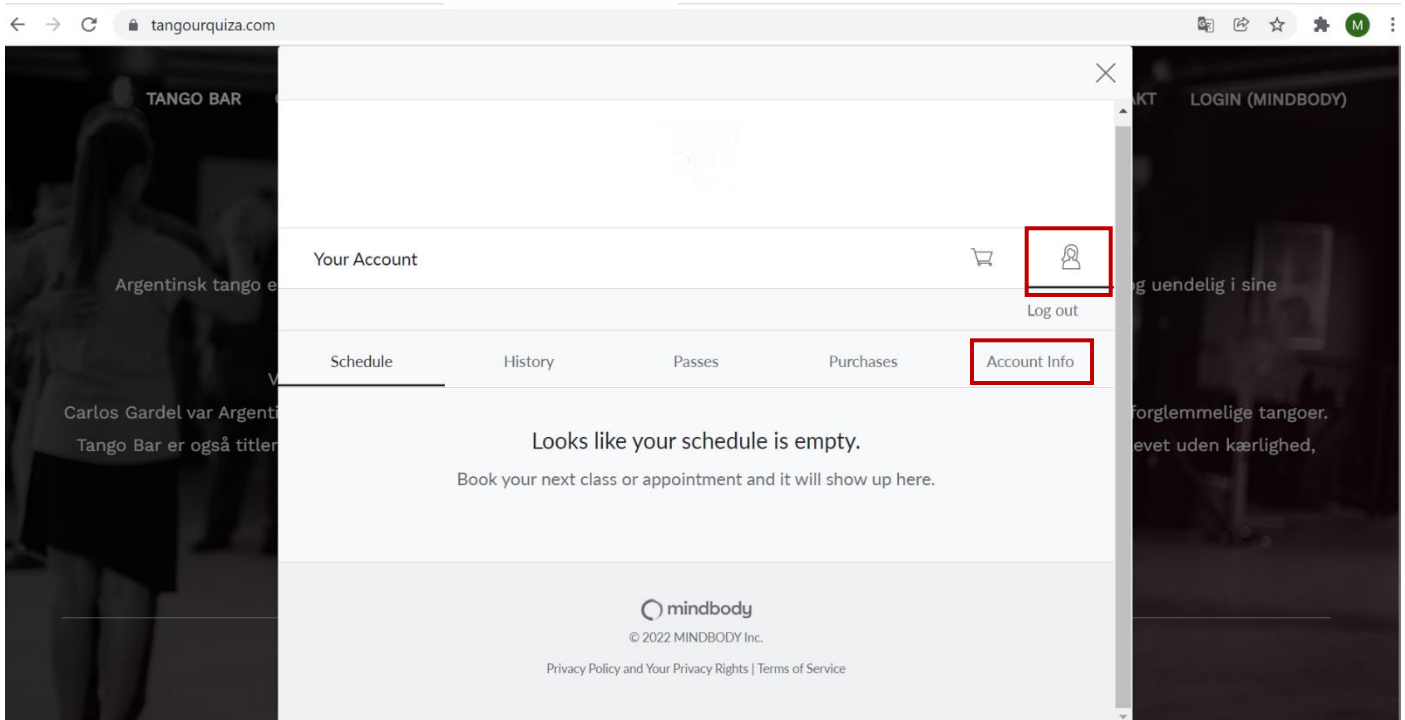

1. Go to the website (tangourquiza.com) and click the 'LOGIN(MINDBODY)' on the right tab on the website.

2. Log in with your email and password. If you forgot your password click 'Need new password' to create a new password.

3. When you log in with your email address and password, this will show up. Then click **the button on the right end**, and then click **'Account Info'**

4. Scroll down to change your payment info. Click **'Edit payment info'**. Change your card information and **click 'save'**. You can also change your password here by clicking **'change password'**
